

## 2012-2013 Elementary School Supply List

The following standardized supply list is for all elementary schools in the Keller ISD. The supplies listed have been determined as the necessary materials for each student to have in order to be prepared for school each day. Since these supplies are necessary for a student to be prepared for class, parents may be asked to replenish during the year should your child's supplies become depleted or unusable.

These supplies can be purchased at local retail stores or for your convenience, many PTA's offer pre-packaged supplies for purchase at the campus. Check with your home school for specifics.

This list includes the basic individual student supplies but teachers may request donations of additional classroom supplies to support their classroom needs. Classroom supplies will be utilized by all students and do not belong to an individual student. Any support from parents in providing these additional classroom supplies is greatly appreciated. Some of these requested (but not required) classroom supplies may include items such as:

- Boxes of facial tissue
- Hand sanitizer
- Construction Paper (Manilla and Color)

*Note: A detailed list with recommended brands and an item picture is on additional pages to aid parents when purchasing for individual supplies. Recommended brands and related pictures are provided for your convenience and in no way imply a specific brand requirement.*
